## EasyDent Login Error 2013-0001

**Dear Doctor & Staff,**

If you have recently received an update CD from us please install it that may take care of the problem. But, if you haven't paid for annual support and usage then please send your payment of call us to pay by charge card as soon as possible, so we may send you an update CD.

On a temporary basis for **15 days** you can reply to the prompts as follows to continue to access EasyDent.

You may receive one or multiple prompts, if you are asked any Yes/No questions, reply **No** to the questions. Eventually you will see a prompt with a white empty box, type in the word **BYPASS7** and click OK.

If you have questions or problems please give us a call.

Thank you for your help.
