Moving EasyPayroll

To move *EasyPayroll* from one computer to another:

- 1) Download the Payroll Install program from our web site.
www.ezdent.com then click top option for "Downloads" page, then select "Easy Payroll Install" download link.

You can also directly go to it at": www.ezdent.com/updates/payroll.exe

- 2) Run the install program on the new computer. The password is **pwpayroll**
- 3) Copy the complete C:\EZW folder from your old computer to the new computer
Overlaying any files.
