

Maintenance & Usage Fees

EasyDent annual support, usage, and maintenance provide several key benefits. In short, it's like always having **new software** that **never gets outdated!**

1. New features like "Electronic Dental Records" are automatically added to your system, without out any "add on" expense.
2. The latest CDT ADA codes and other changes like latest ADA Insurance Claim Format.
3. The software is kept up to date with the latest industry changes such as; HIPAA insurance and privacy requirements and the National Provider Number "**NPI**".
4. Telephone support, answers to questions, computer system failure and recovery assistance, and even help train new staff.
5. Internet Training and online updates.
6. The ability to request software enhancements to meet your specific needs. These are programmed and added to *EasyDent* at no charge.
7. Continual research and development that enhances and improves *EasyDent*, while keeping our software backward compatible and user friendly.

EasyDent has one of the **lowest software support fees** in the industry. You don't have to buy expensive updates, or pay to license *EasyDent* on each new or additional computer.

We have a long tradition of putting our client's needs and interest first. Keeping the support fees low, enhancing *EasyDent*, and providing top notch service is truly a **win win** situation for everyone!
